	<b>Description</b>	<p>Efficiency East Midlands (EEM Ltd) is a procurement consortium which establishes and manages a range of frameworks and DPS agreements. Our membership has now grown to over 360 members including organisations providing services to the whole public sector including housing associations, local authorities, NHS Trusts, Education Providers and Emergency Services. EEM Ltd will be conducting a tender exercise for the renewal of its Communal Entrance Doors Framework in September 2024 (EEM0063). Our current Communal Entrance Doors framework expires on the 10th January 2025 and EEM will be looking to have the new Framework go live on the 13th January 2025. The framework will include the design, supply and installation of both aluminium and steel communal entrance doors and door sets. This is to also cover the maintenance of these doors and automatic operators with provision for responsive call outs. The intention is to have the framework split into a lot structure similar to the following: - Supply and Installation of Aluminium communal entrance doors (including maintenance) - Supply and Installation of Steel communal entrance doors (including maintenance) (Please note - this structure is subject to change and the final lot structure will be confirmed within the tender documentation and contract notice when published in September 2024.) This is a prior information notice to notify interested organisations of an up and coming tender opportunity expected to be released w/c 16th September 2024.
