		Description	The Betsi Cadwaladr University Health Board (BCUHB) in North Wales is progressing an expression of interest exercise for supplier demonstration days for trolleys. Through this Notice the BCU Health Board is hoping to learn what is possible/available in the market place as it shapes its strategy. Objective: To evaluate the suitability and functionality of Trolleys for the Electronic Prescription and Medication Administration (ePMA) system. Scope of Work: The Supplier is required to attend demonstration days across BCU Health Board to show Digital, Data and Technology teams and clinical end users the Trolleys designed for ePMA. The supplier is required to loan specific Trolleys to BCU Health Board to allow end users to test out the trolleys in the clinical environment across BCU Health Board areas. Evaluation by DDAT and clinical teams will focus on the following aspects: - Hardware Compatibility: Ensure that the Trolleys are compatible with the existing hardware used for ePMA. - Ergonomics: Assess the design of the Trolleys for ease of use by the healthcare staff, considering manoeuvrability and accessibility. - Connectivity: Verify that the Trolley can seamlessly connect to the
