Description	Yorkshire Water anticipate our call for competition will be issued around 26/06/2023. Our Selection Questionnaire (SQ) will be made available via the tender portal. https://service.ariba.com/		
InitiationType	tender		

Tender	Id	ocds-h6vhtk-03c6db		
	LegalBasis	Id	32014L0025	
		Scheme	CELEX	
	Title	AMP8 Stormwater Alliance		
	Status	planned		
	Classification	Scheme	CPV	
		Id	45000000	
		Description	Construction work	
MainProcurementCategory	works			
Description	<p>Yorkshire Water (YW) is seeking to procure a Stormwater Alliance to support the delivery of its AMP8 capital investment programme. The AMP8 regulatory period will run from April 2025 to March 2030. This will cover, but not be limited to, design, civil engineering works and process works (including mechanical, electrical, instrumentation and telemetry) as well as scope and programme change management, progress and performance reporting, quality management and commissioning. The Alliance Agreement will include the option of extension for AMP9 requirements at the discretion of YW. Alliance partners are required primarily to provide expertise, guidance, support and resources in design, planning, management, and delivery of non-infrastructure assets. This will include new assets, renewals, modification, maintenance, and refurbishment. Alliance partners may also be required to provide expertise, guidance, support and resources in design, planning, management, and delivery of extensions to water networks, sewerage networks and sewer rehabilitation works, and pumping stations. YW is compiling its strategy for PR24, working in collaboration with stakeholders and regulators to confirm the capital projects and programmes that will need to be undertaken, and the investment available. It is anticipated the main tranches of work will be Stormwater Programme outputs. Project delivery may be required prior to the start of the regulatory period, Yorkshire Water anticipates instructing work to be carried out before the start of AMP8 to assist the transition from the current AMP7 programme into the next regulatory programme.</p>			
Value	Amount	1300000000		
	Currency	GBP		
Lots	0	Id	1	
		Description	<p>YW anticipates that an Alliance will consist of a minimum of one solutions design consultant and three contractors. YW intends to create a pre-qualified bidder list from which bidders will be requested to create a pre-formed Alliance for Invitation to Tender (ITT) stage. Bidders can form as one single entity or alternatively a delivery consortium made up of contractor(s) and/or design consultants. In the event of a delivery consortium, YW will require contractors to accept joint and several liability to YW. Alliance Partners will work with YW from early concept phase to identify and develop solutions for our programme, and then provide design and construction work to deliver the</p>
