	<b>Description</b>	<p>Supplier engagement for market research required. CPS is seeking to provide Juries and other key participants in Crown Court trials with Jury bundles via a digital solution. Jury bundles contain the exhibits that Prosecution &amp; Defense Counsel intend to refer to during the trial. These are usually documentary exhibits such as telephone records, transcripts of the defendant's police interview, diagrams and photographs. The intention is to pilot the developed solution in a single trial courtroom before evaluation, before widening to no more than 5x Courtrooms in different parts of the Country. This pilot phase will then be evaluated before any decision made to roll out further. Further regional &amp; national rollout will be subject to further evaluation points.</p>

		<b>Description</b>	<p>Supplier engagement for market research required. This is a market engagement exercise only. A Digital Jury Bundle to be viewed on a digital device by each Jury member and other key trial participants. Both the bundle format and device must be user friendly. A technical solution which – i. Provides a streamlined and efficient process for transfer of jury bundle material to devices ii. Meets organisational security requirements of both the devices, the material stored on them and any software used as part of the solution. iii. Allows in-trial bundle management – e.g. a process to cater for bundle document additions, deletions, and amendments potentially remotely from the device iv. Ensures that any material on the devices can be wiped at the end of each trial and potentially remotely from the device v. Allows Jurors to digitally annotate the bundle. vi. Training and ongoing technical support</p>
