	Description		Project NUMIDIAN: Provision of support to the design, preparation and delivery of Training Exercises including Contemporary Operating Environmental FORce (COEFOR), Opposition FORce (OPFOR), Hi-Fidelity Casualty Simulation (CASSIM), EXCON (Exercise Control), production of Operational Staff Work (OSW) and Exercise Scenario writing and Senior Mentoring services. This Project will deliver a new three-year (plus 2 possible 1-year option periods) contract that provides greater access and flexibility across training levels across Defence. This Project is looking at combining and optimising the outputs of the COEFOR and Project HANNIBAL contracts to deliver greater access and flexibility across training levels and environments (live, virtual and constructive). This approach would deliver a capability which would better support the future training requirement informed by the Integrated Review. • The current COEFOR contract provides
